

Discontinuation (EOL)

SEDOR® Function *DiViStic*

Due to the expiring availability of compatible 3D counters (Hella APC series), the further development of the function SEDOR® DiViStic comes will cease. License orders can only be accepted until 2017-03-31. Technical support ends on 2017-12-31.

Product License **DLC -SEDOR® DiViStic** (004137)

End of Sales 2017-03-31

End of Support 2017-12-31

As an alternative, we offer the **3D People Counting Modul** of the **ASA Information Management System**:

- Starting screen with overview of the latest alarm and warning messages
- Current information with message categories
- Evaluation of message list in the live view
- Color status display of warning and alarm messages
- Interactive indoor and / or outdoor maps
- Activation of live streams from nearby cameras
- Comprehensive status overview of all counting areas
- Clear display of person limits for counting areas
- Interactive maps
- Editing function for counting areas
