

## Supply of Source Code

Dear recipient,

This product contains copyrighted software which is subject to various open source licenses such as GPL, LGPL, etc..

The designation of the open source software included in this product and the corresponding licenses can be found in the respective document in the info dialogue. There you can also find the corresponding license terms.

You can obtain a comprehensive, machine-readable copy of the source code of the open source software against a 15 USD reimbursement of the costs of the physical copying process and the shipping. This offer is valid for a period of three years as of the date of our most recent shipment of the product and valid for as long as we offer spare parts or customer support for that product model.

Following the remittance of the costs incurred to the following bank account, we will immediately send out a copy of the source code to you.
