INSTALLATION MICRO SD CARD

INSTALLATION OF A MICRO SD CARD INTO A DOMERA® CAMERA

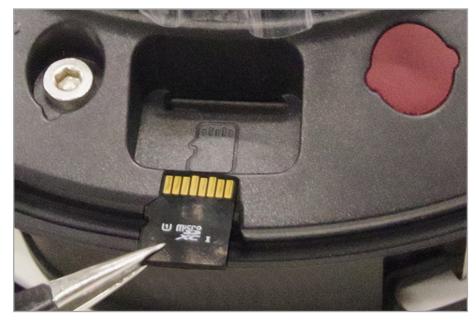

Inserting a micro SD card

► The card slot is located on the camera ring below the seal with the SD label.

► Carefully remove the rubber cover of the SD slot with an Allen key (3).

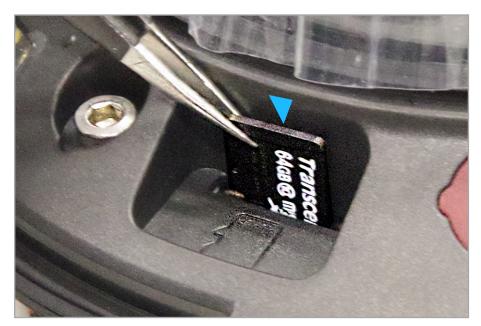

Use tweezers to insert the micro SD card. Pay attention to the orientation of the SD card as indicated on the embossing of the card slot.

INSTALLATION MICRO SD CARD

INSTALLATION OF A MICRO SD CARD INTO A DOMERA® CAMERA

▶ Push the SD card completely into the slot by using tweezers and press it firmly until it clicks into place.

▶ Place the SD rubber seal back onto the recess and press it firmly into place with your finger.

The installation is complete.
